WHAT WE DO

Design. Manage. Dominate.

OUR SERVICES

Two things, done exceptionally well

WEBSITE DESIGN

We build fast, professional, custom websites that turn visitors into customers. No templates. No shortcuts.

- Custom design, not templates
- Mobile-first build
- SEO-ready structure
- WhatsApp integration
- E-commerce capability
- B2B portals & catalogues

SOCIAL MEDIA MANAGEMENT

We manage your Instagram and Facebook so your brand stays active, relevant, and converting — without you lifting a finger.

- Content creation
- Consistent posting schedule
- Audience engagement
- Growth strategy
- Monthly performance reports

HOW WE WORK

01

Consult

WhatsApp chat to understand your business

02

Design

A custom concept built around your brand

03

Build

Site developed, tested, and refined

04

Launch

You go live and start getting customers

BASIC

A clean, credible first website — built to get you found.

80,000

- One-page professional website
- Mobile-friendly design
- Products / services showcase
- WhatsApp integration
- Contact form
- Google Maps integration
- Basic SEO setup

Best for: a first credible online presence

MOST POPULAR

STANDARD

A serious multi-page presence that turns visitors into enquiries.

150,000

- Up to 6 pages
- Full product catalogue with specs
- Brand showcase section
- Enquiry & quote request system
- SEO optimization
- WhatsApp floating button
- Lead generation forms
- Google Business integration

Best for: turning visitors into real enquiries

PRO

A full digital storefront — built to sell while you sleep.

250,000

- Everything in Standard, plus:
- E-commerce functionality
- Order management system
- Live chat integration
- Advanced SEO & analytics
- Payment gateway integration

Best for: selling and taking orders online

Payment: 50% to begin, 50% on delivery. (40/30/30 for larger custom builds.) Custom builds priced above Pro depending on scope.

Let's build something premium.

WhatsApp: +234 814 558 3816

Built Custom

No recycled templates. Every site is built around your specific business.

Mobile First

Over 80% of your customers are on their phones. We build for that.

Fast Turnaround

From payment to delivery faster than any agency.

Direct Communication

You deal with the builder directly. No middlemen.

RECENT WORK

- Cletools Global Ventures
- Fastech Rigging & Hardware
- Orthomobil Clinic
- Marvel Driving School
- LifeAnchor International Development Foundation
